**EQUAL OPPORTUNITIES POLICY**

**February 2023**

---

**Headteacher / Chair of Governors**

**Next Review Date: January 2025**

## **1. Legislation**

- 1.1. On the 1st October 2010, the Equality Act (2010) replaced all existing equality legislation such as the Race Relations Act, Disability Discrimination Act and Sex Discrimination Act.
- 1.2. The Equality Act (2010) was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of specific characteristics (referred to as protected characteristics). This means that schools cannot discriminate against pupils or treat them less favourably because of their sex (gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity.
- 1.3. The Act introduced requires all schools to comply with the Public Sector Equality Duty and two specific duties.
- 1.4. Public Sector Equality Duty requires us a school to:
  - Eliminate unlawful discrimination, harassment and victimisation
  - Advance equality of opportunity between different groups
  - Foster good relations between different groups
- 1.5. The Two “specific duties” requires us to:
  - Publish information to show compliance with the Equality Duty
  - Publish Equality Objectives at least every 4 years which are specific and measurable
- 1.6. We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act (1998).
- 1.7. Our Equal Opportunities Policy for pupils aims to demonstrate our compliance with the Public Sector Equality Duty.

## **2. Equality Statement**

- 2.1. Our Equality Statement is based on the principles above and aims to ensure that:

“All pupils at our School are provided with opportunities to fulfil their potential whatever their sex, race, colour ethnic or national origin, marital status, age, sexual orientation, disability or religious belief.”
- 2.2. We are totally committed to ensuring that equality is a fundamental part of our drive to improve and that all members of St Mary’s Catholic Primary School should expect the best...to be the best.

### **3. Aims**

- 3.1. At St. Mary's Catholic Primary School, we believe that equal opportunity means giving everybody the opportunity to develop their full potential. This means that we aim to challenge any discrimination based upon social divisions of race, class, gender, sexuality, special educational needs or the division of people upon perceived differences of ability or disability.
- 3.2. Equal opportunity means overcoming our own stereotypes and prejudices. Fundamentally it is about human rights.
- 3.3. The School's personnel practices, including recruitment, retention and remuneration are carried out in accordance with the LA's Equal Opportunities in Employment Policy.
- 3.4. We operate an open school policy, and all governors, parents and other members of the community are encouraged to become involved in all school activities. The school site has been modernised to reduce congestion at the start of the school day and at home time. We have created more exits and developed procedures for safe dismissal of all pupils. These are regularly monitored and adapted when necessary. Our school building has wheelchair and pram access through the ramp and toilet facilities suitable for a wheelchair- and through our Health and Safety Policy we endeavour to minimise hazards for the less able bodied by keeping routes through the building clear of obstructions.

### **4. The Curriculum**

- 4.1. In relation to the curriculum in this school, we share the following guiding principles to advance equal opportunities:
- All pupils must be treated as individuals with their own abilities, difficulties, attitudes, backgrounds and experiences
  - We must challenge myths, stereotypes and misconceptions as they arise
  - We must ensure that equal access to the curriculum means real opportunity to benefit all the pupils in our school
  - The recognition and valuing of differences helps to achieve equal opportunities
- 4.2. Providing equal opportunities for all pupils means:
- Extending pupils' knowledge and understanding of different cultures, languages and faiths
  - Valuing cultural diversity by drawing on pupils' backgrounds and experiences
  - Offering positive images and role models from all cultures
- 4.3. These dimensions permeate all areas of the curriculum and are the responsibility of all teachers.

## **5. Social Processes**

5.1. To ensure that social processes within the school are effective, the following must be reviewed on a regular basis;

- Pupils appropriately seated in the classroom and there is an effective use of space available
- Attention and time given to different social groups e.g. boys, girls, pupils with learning difficulties, pupils with average attainment, pupils with above average attainment and pupils on free school meals
- The quality of interactions between pupils
- Learning outside the classroom and the procedures for supporting all pupils in the playground as well as on trips or visits
- The distribution of different groups of pupils between different abilities St Mary's Catholic Primary School 'Learning together in Faith and Love' St Mary's Catholic Primary School Equality Policy
- The distribution of different groups of pupils on the Special Educational Needs Register
- The impact of interventions on pupils' social status within their class, eg. Is it having a positive impact on their emotional well-being?
- Whether staff have similar expectations for pupils in all categories.
- Whether staff have an appropriate way of responding to culturally specific behaviour so avoiding high levels of confrontation and discipline against certain cultural groups

5.2. These statements are not exhaustive but all staff must frequently examine their practice and that of the school on a regular basis in order to assure that equality is prioritised. This can take place during regular Leadership and Key Stage meetings as well as the other professional meetings with staff and their line managers.

## **6. Good Relations**

6.1. We aim to prepare our pupils for life in a diverse society and ensure that there are activities across the curriculum that promotes the spiritual, moral, social and cultural development of our pupils.

6.2. We teach about difference and diversity and the impact of stereotyping, prejudice and discrimination through our Personal Social and Health Education and Citizenship and across the curriculum.

6.3. We use materials and resources that reflect the diversity of the school, population and local community in terms of race, gender, sexual identity and disability, avoiding stereotyping.

- 6.4. We promote a whole school ethos and values that challenge prejudice based discriminatory language, attitudes and behaviour.
- 6.5. We provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures.
- 6.6. We include the contribution of different cultures to world history and that promote positive images of people.
- 6.7. We provide opportunities for pupils to listen to a range of opinions and empathise with different experiences.
- 6.8. We promote positive messages about equality and diversity through displays, assemblies, visitors, whole school events and a whole array of curriculum enrichment activities throughout the year. Where appropriate we include equality matters in our newsletters to parents and carers.

## **7. Dealing with Conflict**

- 7.1. Schools do not exist in an ideal world; they are part of a world where profound inequalities exist, and where dominant cultures are discriminatory, often on the basis of ethnicity, gender, sexuality, 'ability' and class. Pupils bring such experiences with them into school.
- 7.2. Conflict should be used constructively; on these occasions equal opportunities should be discussed and conflict must be resolved in a positive way.
- 7.3. The School sets out in the Home School Agreement, Code of Conduct and Behaviour Policy the behaviours expected in School.
- 7.4. The documents listed above should be explained clearly and calmly to anyone whose behaviour suggests that they do not understand them.
- 7.5. The School is working towards practice which develops and values the self-esteem of all the children and members of the school community and encourages them to challenge behaviour which conflicts with the philosophy of the school.

## **8. Parents**

- 8.1. Our aim is to involve parents by communicating relevant information for them to participate fully in the school's equal opportunities policy.
- 8.2. Our Equal Opportunities Policy can be communicated to parents in the following ways:
  - Through the PTA of St. Mary's

- Ensuring that information regarding current equal opportunities initiatives is available to parents, for instance through the school prospectus and the availability of policies on the school website.
- Giving parents the opportunity to see teaching materials and how they are used in the school.
- Regular family learning sessions across all year groups
- Maintaining contact with community groups representing parents, especially religious and cultural groups, e.g. Parish community.
- Being responsible for informing all regular visitors and volunteers within the school community e.g. parents and students of our school's expectations for equal opportunities to all.

## **9. Governors**

- 9.1. School Governors should be closely linked with equal opportunities as it is their duty to ensure the school follows the current government legislation.

## **10. Review**

- 10.1. The school's arrangements for equality of opportunity are evaluated to the extent to which all pupils, irrespective of gender, ability (including giftedness), ethnicity and social circumstances, have access to the curriculum and make the greatest possible progress.
- 10.2. Evidence should include:
- Standards of achievement of individuals and groups
  - Regular and robust assessment of pupils' needs within the curriculum
  - Admissions policies, intake, exclusions
  - Curriculum content and access
  - Class organisation and management, teaching and differentiation
  - The use made of support teachers, bilingual assistants and other provisions under Section 11 of the Local Government Act 1966
  - Pupils' relationships with both peers and adults within the school community
