February 2023

OTR Santa

Headteacher / Chair of Governors

Next Review Date: January 2025

1. Introduction

- 1.1. The staff and governors of St Mary's Catholic Primary School Chiswick seek to run all aspects of school business and activity with full regard for high standards of conduct and integrity. In the event that members of school staff, parents, governors or the school community at large become aware of activities which give cause for concern, the School has established the following whistleblowing policy, or code of practice, which acts as a framework to allow concerns to be raised confidentially and provides a thorough and appropriate investigation of the matter to bring it to a satisfactory conclusion.
- 1.2. The School is committed to tackling fraud and other forms of malpractice and treats these issues seriously. The School recognises that some concerns may be extremely sensitive and has therefore developed a system which allows for the confidential raising of concerns within the school environment but also has recourse to an external party outside the management of the school.
- 1.3. The School is committed to creating a climate of trust and openness so that a person who has a genuine concern or suspicion can raise the matter with full confidence that the matter will be appropriately considered and resolved.
- 1.4. The provisions of this policy apply to matters of suspected fraud and impropriety and not matters of more general grievance which would be dealt with under The School's Grievance Policy.
- 1.5. Throughout this policy, the term whistleblower denotes the person raising the concern or making the complaint. It is not meant in a pejorative sense and is entirely consistent with the terminology used by Lord Nolan as recommended in the Second Report of the Committee on Standards in Public Life: Local Spending Bodies published in May 1996.

2. When might the whistleblowing policy apply?

- 2.1. The type of activity or behaviour which the School considers should be dealt with under this policy includes:
 - manipulation of accounting records and finances
 - inappropriate use of school assets or funds
 - decision-making for personal gain
 - any criminal activity
 - abuse of position for financial gain; one's own or another's
 - fraud and deceit
 - serious breaches of school procedures which may advantage a particular party (for example, tampering with tender documentation, failure to register a personal interest)

3. What action should the whistleblower take?

- 3.1. The School encourages the whistleblower to raise the matter internally in the first instance with one of the appointed responsible officers listed below so they can investigate the matter.

3.2. The responsible officers are-

- The Headteacher
- The Chair of Governors

3.3. The whistleblower may raise the matter in person, by telephone or in written form marked private and confidential and addressed to one of the above-named individuals. All matters will be treated in strict confidence and anonymity will be respected wherever possible.

3.4. Alternatively, if the whistleblower considers the matter too serious or sensitive to raise within the internal environment of the school, the matter should be directed in the first instance to the LA Chief Internal Auditor: clive.palfreyman@hounslow.gov.uk

3.5. The LA has its own procedures for dealing with such matters and will ensure every effort to respect the confidentiality of the whistleblower. The LA will ensure relevant officers of the Department for Children, Schools and Families are informed as appropriate.

3.6. In addition, information and advice can be obtained from the charity Public Concern at Work. This charity offers free legal advice in certain circumstances to people concerned about serious malpractice at work. Their literature states that matters are handled in strict confidence and without obligation. Contact details for the charity are as follows:

Public Concern at Work
Suite 306
16 Baldwins Gardens
London EC1N 7RJ
Telephone number:020 7404 6609

4. How will the matter be progressed internally?

4.1. The individual(s) in receipt of the information or allegation (the investigating officer(s)) will carry out a preliminary investigation. This will seek to establish the facts of the matter and assess whether the concern has foundation and can be resolved internally. The initial assessment may identify the need to involve third parties to provide further information, advice or assistance. For example, involvement of other members of school staff, legal or personnel advisors, the police, the Department for Education and the LA.

4.2. Records will be kept of work undertaken and actions taken throughout the investigation. The investigating officer(s), possibly in conjunction with the governing body, will consider how best to report the findings and what corrective action needs to be taken. This may include some form of disciplinary action or third-party referral such as the police.

4.3. The whistleblower will be informed of the results of the investigation and the action taken to address the matter. Depending on the nature of the concern or allegation and whether or not it has been substantiated, the matter will be reported to

the governing body and the LA.

- 4.4. If the whistleblower is dissatisfied with the conduct of the investigation or resolution of the matter or has genuine concerns that the matter has not been handled appropriately, the concerns should be raised with the investigating officer(s), the governing body and/or directed to the LA.

5. Respecting confidentiality

- 5.1. Wherever possible The School seeks to respect the confidentiality and anonymity of the whistleblower and will as far as possible protect him/her from reprisals. The School will not tolerate any attempt to victimise the whistleblower or attempts to prevent concerns being raised and will consider any necessary disciplinary or corrective action appropriate to the circumstances.

6. Raising unfounded malicious concerns

- 6.1. Individuals are encouraged to come forward in good faith with genuine concerns with the knowledge they will be taken seriously. If individuals raise malicious, unfounded concerns or attempt to make mischief, this will also be taken seriously and may constitute a disciplinary offence or require some other form of penalty appropriate to the circumstances.

7. Conclusion

- 7.1. Existing good practice within the School, in terms of its systems of internal control both financial and non-financial and the external regulatory environment in which the school operates, ensure that cases of suspected fraud or impropriety rarely occur. This whistleblowing policy is provided as a reference document to establish a framework within which issues can be raised confidentially internally and if necessary outside the management structure of the school. This document is a public commitment that concerns are taken seriously and will be actioned.
